

8th Annual Bike Run Premium Sponsorship Drive Benefitting *The Way Out Women's Center*, Saturday, April 27th, 2024, at Walter Hall Park, League City, TX.

Established in 1973, *Way Out Women's Center* provides a safe, caring environment; free of charge, to women who are ready to make the first brave step towards changing their lives. We are committed to the health, healing, and self-worth of all our residents, and we strive to help them establish a bold and purposeful beginning on their path to recovery from alcoholism. For over 40 years, the *WOWC*, a 501c3 non-profit organization, has been one of the few detox facilities that women in the Houston metroplex could turn to without expense. **The *WOWC* is funded entirely through charitable contributions and fundraisers.** The residents have opportunity to detox in a safe place and are exposed to 12-Step recovery.

The Annual Bike Runs each attract 100+ riders and many members of the local community. Early fundraisers raised money for the *WOWC* Building Fund. The objective of this event is to raise funds for the capital project to construct a new facility that will be able to support a larger number of women who may not have the ability to seek commercially available recovery services and care.

The Fundraiser Bike Run Committee is seeking sponsors to provide working capital to finance the event, which will consist of the motorcycle run, BBQ lunch, games, activities, and a recovery speaker. We will also be raffling off a NEW **2023 Harley Davidson Road King Special** at the conclusion of the event.

Your contribution will have a direct impact on the lives of women and families in our community. Additionally, our riders and attendees are very likely your target customers and patrons, and sponsorship of events such as these are a great way to shine a positive light on your brand to demonstrate your organization's commitment to our community!
