11th Annual Bike Run Premium Sponsorship Drive Benefitting *Way Out Women's Center*
Saturday, April 11th, 2027, at Walter Hall Park, League City, TX.

Established in 1973, *Way Out Women's Center* provides a safe, caring environment; free of charge, to women who are ready to make the first brave step towards changing their lives. We are committed to the health, healing, and self-worth of all our residents, and we strive to help them establish a bold and purposeful beginning on their path to recovery from alcoholism. For over 54years, the *WOWC*, a 501c3 non-profit organization, has been one of the few recovery facilities that women in the Houston metroplex could turn to without expense. The *WOWC* is funded entirely through charitable contributions and fund-raisers. The residents have opportunity to recover from alcohol/drug addiction in a safe place and are exposed to 12-Step recovery.

The Annual Bike Runs each attract 150+ riders and many members of the local community. Early fundraisers raised money for the *WOWC* Building Fund. The objective of this event is to raise funds for operational expenses, debt service and on-going improvements.

The Fundraiser Bike Run Committee is seeking sponsors to provide working capital to finance the event, which will consist of the motorcycle run, BBQ lunch, games, activities, and a recovery speaker. We will also be raffling off a NEW **2026 Harley Davidson SUPER GLIDE** at the conclusion of the event.

Your contribution will have a direct impact on the lives of women and families in our community. Additionally, our riders and attendees are very likely your target customers and patrons, and sponsorship of events such as this is a great way to shine a positive light on your brand to demonstrate your organization's commitment to our community!

Sponsorship Packages

Sponsor	**Grand Sponsor**	**Great Grand Sponsor**
$500	$1,000	$1,500
Small logo on back of event T-shirts.	Large logo on back of event T-shirts.	Logo on raffle bike banner.
Recognition during opening and closing remarks.	Recognition during opening and closing.	Recognition as "Event Sponsor".
	Logo printed in event program.	Large logo on back of event T-shirts.
		Recognition during opening and closing.
		Logo printed in event program
		Banner displayed at event and
		Space to host a hospitality table.
		Two comp registrations for the ride.

Representatives of sponsor organizations are naturally encouraged to participate in the motorcycle run/fundraiser as well. Those that ride know that there is no better way to meet, mix and bond with other members of the community than to participate in some collective wind therapy all for a very good cause!
